Phoebe

Survival Level ★★★

Survival Skill→Intuitive use of physical prowess

Phoebe was raised in the jungle. She's a strong girl with an enormous appetite. She comes to Dr. Brain's lab with Geo and helps take up the Baron's magical challenge. Although she struggles to resist a tasty bite of food, she'll use her keen perception and senses to see through the Baron's tricks.

Can your magic cook up some more meat?

Don't always believe your eyes!

Kay

Survival Level ★★

Survival Skill→Tons of scientific knowledge and cool-headed analysis

A former medical student who now assists Dr. Brain, Kay helps Geo and Phoebe go up against the Baron's magic. To see through his tricks, Kay makes good use of the laboratory's analytical instruments. By interpreting the readings and graphs, he shows everyone how important analysis is.

Dr. Brain

Survival Level ★

More than a mere medical doctor, he calls himself a "brilliant inventor" who builds whatever he thinks up. He was planning to join the Halloween party with the three youngsters, but he's called away from the laboratory on an urgent matter.

It's too bad, because I really wanted to join...
